

1st Festival of School Essays

CEAQ's Group of Socioenvironmental Practices

Do you like to write what you think?

Do you want to develop your ability to produce texts and exchange ideas with other young people in Brazil and around the world?

Theme:

**How to involve the youth of Visconde de Mauá
in building a better future?**

Award:

All students who present their essays will participate in a trip to the Itatiaia National Park and a visit to the Jaguar Land-Rover factory, both in Itatiaia county, where young people will first immerse themselves in a very natural environment and soon after in another, very technological. Essays will be published at evoluamaua.net/gp-ceaq/redacoes to inspire good ideas at CEAQ and other schools in Brazil and beyond.

Regulation:

Authorship of essays may be individual or in pairs.

Anyone who wants can have help from teachers in the development and expressiveness of their ideas - but without interference in the content, which must be exclusively authored by the young people.

Essays must be presented in Word-PDF format, on two A4 pages, 750 words maximum, 2cm margins, text in Arial size 12, spacing 1.5.

Essays must be submitted by September 1, 2022.
